

## PROPHETIC WORD FOR THE CHURCH OF CANADA 2023

Delivered by René McIntyre January 12, 2023

I heard many people asking the Lord, "Lord when will you rescue our nation? When will you liberate us from our wicked government?" I was taken to Acts 1:7 and the Lord says to Canada as He did to Israel, "The Father alone has the authority to set those dates and times, and they are not for you to know. But you will receive power when the Holy Spirit comes upon you. And you will be My witnesses, telling people about Me everywhere."

And then I heard Him say, "You have had your eyes focused on the wrong government. You were setting your hopes in a government that has set out to claim what belongs to me. Authority. Earthly government has unleashed a darkness that will not recede. Even in times when it seems to have lifted, it has only temporarily shifted back underground to re-strategize. You do not belong to this world. \*\*\*\* Lift your eyes and begin to study My government. I am sovereign over the church, the nation and the hour and I will move. Allow My Kingdom rule to be established in your hearts. Establish kingdom culture amidst a crooked generation. Darkness shall continue to cover the earth, but My glory shall arise upon those that shift their gaze upon Me and pledge allegiance to the true King. This past season has had many commit treason. It has revealed the necessity for apostolic restoration. In an earlier season My Apostles and Prophets were chased out of Canada. They did not have the necessary support of the church needed to stay and fight, so they left, and the enemy has set up his throne in the midst of her. A great war has begun and a clash of the titans of the earth will continue, but I will raise up Apostles and Prophets to restore the foundation of the church in Canada. Pastors, evangelists, and teachers will come alongside them to support and establish that which the apostles and prophets' release. You must turn from your wicked ways, you must establish Kingdom rule and reign in your lives. You must abandon self-promotion and promote my Kingdom. The Hiway of holiness will be re-established, for in this hour I am releasing judgement upon disorder. I am reordering My house and those that do not realign risk judgement. Explosions are set to go off in this hour. Intensified shaking will lead to divine eruptions that will be felt worldwide. Greater exposure is coming, and consequences are unfolding but do not focus on what goes on around you, focus on what is going on within you. You are worried about what is being established around you instead of what I desire to establish within you and through you. This will be a season of relearning, of re-establishing, re-aligning. I am establishing the apostolic remnant of Canada who will bring an increase of divine revelation and who will raise up ministers and workers for the harvest field. The house of the Lord will grow in stature, in number and in power. As you root yourselves with total allegiance in my Kingdom, I will make you bold, courageous, fearless and you will hold the spiritual power of My government in your hands and then and only then will you be able to effectively influence earthly government. Righteousness will be both your offense and defense, and you will not cower to corruption.

The religious and lukewarm will continue to mock and jeer at houses of worship that honour the day of the week set aside for My body to convene. They will slander houses

of worship that do not pursue their own interests and desires on that day, but instead choose to make room for My Spirit to lead them and to honour Me without time constraints. They will gnash their teeth at leaders who require righteousness of their people and instruct them to live without compromise. They do not understand the thirst and hunger of my children that can only be satiated by My presence, My Word and My Spirit. But let them jeer and gnash their teeth at you. I will be your defender. The favour that I will pour out upon you will be a sign unto them and it will provoke many to jealousy. Some will allow the cloud of deception to be lifted from their hearts, will begin to listen and be saved, others will continue to gnash their teeth at you. But I will move in signs, wonders and miracles as My church grows in Kingdom rule and reign and again many will be saved and added to the church. Yet some will never turn from their delusions, nevertheless, be encouraged, my Kingdom will have worldwide impact.
