

2024 TOTCM WORD

The year 2024 is a year of measurement and of restoring divine kingdom order. I have been walking in the midst of the candlesticks, measuring My temple. The measurements in many churches are greatly off. The gates have been widened and the walls of the temple have been pushed out farther making room for idol worship and for all matter of ungodliness in my sanctuary. Instead of safeguarding my sacred laws and covenant commands, many have hired foreigners to take charge of my sanctuary, taking matters into their own hands. The priesthood has been contaminated but I will clean it up. The watchmen and temple guards have been compromised but I will choose their replacements if they do not repent. Some have refused my constant knocking, and their time has run out. The basic law of the temple is holiness. Enter through the narrow gate. Wide is the gate and broad is the road that leads to destruction.

O church if you wanted to return to Me, you could. You could throw away your detestable idols and stray away no more. Then when you swear by My name, saying, 'as surely as the Lord lives,' you could do so with truth, justice, and righteousness. Then you would be a blessing to the nations of the world, and all people would come and praise my name. Plow up the hard ground of your hearts! Surrender your pride and power. Change your hearts before the Lord or My anger will burn like an unquenchable fire because of all your sins.

Others have measurements slightly off. I will help them make the adjustments needed for divine order for I am the King of Glory and I desire to break in. I desire to restore My glory to the church. I desire to be represented well and will not settle for anything less than total allegiance to my name and My Kingdom ways. There is a willing remnant, there is a remnant still on the rise.

2024 will see both chaos and divine order. Wherever possible, conflict must be addressed and put to rest.

I have chosen to use war to restore. I have chosen to allow oppression to bring freedom. I am using these tactics to awaken the nations to My name, to true liberty. Be vigilant of possible enemy ambush. Do not fear what you see and what you hear.

For those that have been measured and found to be true, I will increase your territory and influence. I will bless you beyond measure. There will still be sifting and shifting but there will be an ease because of your willingness to adjust.

Lift up your heads oh ye gates. Come up higher. Expect Me to come in, in a more tangible way. I will break forth on the scene as your rescuer, your healer, your provider, your defender. Break out past complacency, protect your fire at all cost. Come into My presence and buy oil for your lamps. Have expectant hearts for I will glorify MY name in your midst. Keep expectancy alive no matter how dark your surroundings are for I am using it for My Kingdom purposes.
